

Summary

MD. TAWSHIQUOL ISLAM RAFI

Experienced software developer with 3+ years in PHP, specializing in Laravel. Proficient in JavaScript, Python, Java, and VueJS for frontend development. Skilled in MySQL database management. Proven problem-solving abilities across diverse projects.

I also worked on an ERP system built on PHP using Codeigniter for fixing bugs and modifying the system. And I also worked on various scripted projects, like the CodeCanyon project or others, to modify them as per client needs. I am dedicated to continuous learning and skill development.
